

JOB DESCRIPTION	FLEXIBLE SUPPORT WORKER
------------------------	--------------------------------

1. Post Details

Post Title: Flexible Support Worker
Location: Various locations across Bridge services
Salary Scale/Grade:
Line Manager: Service Manager

2. Job Summary

Therapeutic optimism is at the heart of our work. Bridge believes that all clients with mental health problems can achieve and make positive changes to their lives as they move along their pathway of recovery.

- To provide flexible support to clients with enduring mental health needs over a shift rota of 7 days a week which will include evenings.
- To support client move on and manage their progress along their individual recovery path within a 24 month period
- To encourage clients to identify and define their own goals and work towards being as resilient and independent of services as possible, reducing their reliance on medical interventions and hospitalisations
- To provide focused outcome based support measured against clients’ goals, recovery and achievements
- To support clients with specific needs arising from dual diagnosis
- To provide housing management across a range of accommodation provided to clients
- To meet the needs of the service you will be expected to work across different services and sites

This role will continue to evolve with the growth of Bridge Mental Health and from time to time the job description will be reviewed and amended, to reflect changes in demand.
